2024 INVESTMENT GUIDE

OUR PROCESS

1

STYLE IT

Together you and I will plan, style, & book your studio boudoir portrait experience.

2

SHOOT IT

Show up to Studio Always relaxed & ready to let your inner Goddess out to play!

3

GIFT IT

Whether you are gifting your boo or yourself, enjoy your new photos & all their glory!

YOUR
PHOTOGRAPHER

I discovered boudoir when I was looking for the perfect gift for my soon to be husband. He loved every single image... but the real gift was how I fell in love with myself. As your photographer I want to create a gift that is impossible to forget... for your boo, but most importantly for you.

1512 E. SPRING STREET

OUR STUDIO

Located in Historic District of New Albany, IN on Spring Street. The natural light photo studio is the perfect place to relax and create magic.

A woman with long, dark braids is sitting on a bed, looking over her shoulder. She is wearing a black lace top. To her right, there are several black balloons. In the background, there is a white pillow with a black pattern. The overall scene is dimly lit, creating a moody atmosphere.

SO MANY REASONS TO SAY

Yes!

A woman with dark curly hair, wearing a teal, off-the-shoulder, backless dress, is posing in a boudoir setting. She is looking over her shoulder towards the camera. The background is a light-colored wall with a hanging plant in a gold-colored circular frame. The text 'always BOUDOIR PHOTOGRAPHY' is overlaid on the image.
